

PUBLIC NOTICE

Updated Official List of Licensed Health Facilities for the 2025/26 Financial Year

Date of Issue: 16th December 2025

In accordance with the *Medical Practitioners and Dentists Act No. 17 of 1987*, the Medical Council of Malawi (MCM) hereby releases the updated official list of licensed Health Facilities for the 2025–2026 financial year. The list comprises licensed health facilities, categorized as follows:

- (a) Registered premises for private practice
- (b) Registered Government health facilities
- (c) Registered Christian and Islamic Health Association of Malawi Health facilities
- (d) Registered Institutional health facilities

These facilities have met all registration requirements, are considered to be in good standing with the MCM and therefore approved to offer health services. The list includes all health facilities that satisfied the registration requirements by 30th April 2025.

It is a legal requirement in Malawi that all health facilities be registered with the MCM. The MCM advises all Hospital Directors, Heads of institutional health facilities, and owners of private hospitals and clinics to ensure that their facilities are duly registered and licensed before offering health services.

Please note that a supplementary registration list will be published to include all health facilities that completed their registration after 30th April 2025.

The MCM remains committed to ensuring the delivery of quality medical, dental, and allied health services; upholding professional and ethical standards within the health sector; and safeguarding the public from harm. We appreciate the continued support and cooperation of all stakeholders in promoting excellence in healthcare service delivery across Malawi.

Enquiries and Corrections

Practitioners or health facilities with queries or omissions in the current register are advised to contact the MCM through wkishombe@medcommw.org, or medcom@medcommw.org.

All queries and concerns regarding the register will be addressed promptly by the Council.

A handwritten signature in black ink, appearing to read "Dr. Davie B.S. Zolowere".

Dr Davie B.S Zolowere

Registrar and Chief Executive Officer
