

PUBLIC NOTICE

Updated Official List of Practitioners in Good Standing for the 2025/26 Financial Year

Date of Issue: 16th December 2025

In accordance with the *Medical Practitioners and Dentists Act No. 17 of 1987*, the Medical Council of Malawi (MCM) hereby issues the updated official list of paid-up practitioners in good standing for the 2025–2026 financial year. The list comprises paid-up practitioners, categorized as follows:

- (a) Medical Practitioners, Dentists and Specialists
- (b) Para-medicals
- (c) Allied Health Professionals

These practitioners have duly met all registration requirements and are therefore considered to be in good standing with MCM. The list includes all practitioners who fulfilled the registration requirements by 30th April 2025.

It is a legal requirement in Malawi that all medical, dental, paramedical, and allied health practitioners be registered with MCM. Accordingly, the Council advises all employers and institutions to verify that their employees are practicing with valid registration.

Please note that a supplementary registration list will be published to include practitioners who complete their registration after 30th April 2025.

The MCM remains committed to ensuring the delivery of quality medical, dental, and allied health services while safeguarding the public from harm. We appreciate the continued support and cooperation of all stakeholders in upholding professional and ethical standards within the health sector.

Enquiries and Corrections

Stakeholders with queries in the current list are advised to contact the MCM through wkishombe@medcommw.org, copying in medcom@medcommw.org.

All queries and concerns regarding the register will be addressed promptly.

A handwritten signature in black ink, appearing to read "Davie B.S Zolowere".

Dr Davie B.S Zolowere

Registrar and Chief Executive Officer
